EAT / Tucked along Newport Beach's picturesque coast, **Marché Moderne** is run by husband-and-wife-chef duo Florent and Amelia Marneau. The menu features polished French fare with Florent's ever-changing interpretations, from a rich coq au vin to decadent seared foie gras and pristine preparations of seafood. For the ultimate winter comfort food, split a whole Jidori chicken with truffles tucked under the skin. Then try Amelia's signature macarons and crowd-favorite apple tarts. marchemoderne.net.
